For one couple, getting what they want comes at a devastating price in this gripping debut thriller. Banking heiress Trish and her husband, James, seem to have it all, from a lavish lifestyle to a historic mansion in the nation's capital. The only thing that's missing to make their family complete is a baby, so when Trish holds Anne Elise in her arms for the first time, it's no surprise that she falls deeply in love. There's just one problem: Trish isn't the mother. The baby belongs to Laurel, James's young mistress. And more than that, James and Laurel want to start a new life together despite an ironclad prenup standing in their way. When Trish becomes dangerously obsessed with making Laurel's baby her own, the lovers' plan to break James's marriage quickly goes awry. How far is each of them willing to go for happiness?
